

**Avalon Solutions** is a dynamically expanding company with strong relationships with Google and Salesforce, a leading partner for innovative workplace and cloud solutions. Currently we are looking for a **Project Manager** to join our team in Warsaw.

### **More about us**

We are constantly innovating not only our client's businesses but also our own. Our goal is to be one step ahead and to build valuable partnerships with the digital leaders. To be in the forefront we need to have the best talents in our team. That's why we have a special approach to our employees. We believe in an open company culture and relations built on trust. We support our team members in their development, certifications and additional education to deepen their expertise.

The 3 pillars that make us a unique company are:

- **Curiosity** - we are curious about people, technology, and business
- **Trust** - our relationships are built on trust, empowering us to work as a single, cohesive organisation towards our goals
- **Courage** - we have courage to challenge ourselves, our customers, and our partners.

### **About this role**

The Project Manager is responsible for end-to-end management of cloud projects, mostly for our Swedish customers. This person not only takes charge of pre-studies and pre-calculations, scoping, and deliverables but also the budget and resources. Once each project is completed, the Project Manager hands over the deliverables to the Customer Success team.

### **Qualifications:**

We're looking for a person with at least 3 years of experience in management of IT projects, well organized and skilled in time and task management. Preferably experience within Cloud projects like G Suite, Salesforce or Google Cloud Platform. Fluent Polish and English is a must.

Other qualifications:

- Academic education
- Consulting experience
- Project management certificate (preferably Prince 2) is an advantage
- Experience in technical deployments of cloud projects

**Who we are**

Avalon Solutions is a full-scale cloud solutions partner, operating in Europe and beginning its expansion in Asia. Our mission is to add value to our customers by delivering a digital workplace based on sustainable solutions from leading innovative partners like Google and Salesforce, among others. This is achieved by our business-oriented teams, passionate tech experts and our strong company culture that make our employees excel.
