

Avalon by Devoteam is a dynamically expanding company with strong relationships with Google and Salesforce, a leading partner for innovative workplace and cloud solutions. Currently we are looking to expand our Salesforce team in Warsaw with a Salesforce Administrator.

We are constantly innovating not only our client's businesses but also our own. Our goal is to be one step ahead and to build valuable partnerships with the digital leaders. To be in the forefront we need to have the best talents in our team. That's why we have a special approach to our employees.

We believe in an open company culture and relations built on trust. We support our team members in their development, certifications and additional education to deepen their expertise.

The 3 pillars that make us a unique company are:

- **Curiosity** - we are curious about people, technology, and business
- **Trust** - our relationships are built on trust, empowering us to work as a single, cohesive organisation towards our goals
- **Courage** - we have courage to challenge ourselves, our customers, and our partners.

About the Team:

You will be part of a very active team and you will work in a company that is in a rapid expansion phase. We have multiple offices around the world but we work as one global team, exchanging knowledge, supporting each other's projects and customers.

About the Role:

As a Salesforce Administrator you will support implementation by configuration, writing documentation and running user tests. You will take part in project coordination and preparing user guides. One of the responsibilities would be supporting our customers with your Salesforce expertise and handling incoming enquiries. We encourage all of our employees to expand their Salesforce knowledge and we support them in becoming an expert in preferred career path within the team.

Qualifications:

You have experience working with Salesforce from super user or admin perspective. You like working with customers and tackling challenges and have experience in taking care of administrative tasks. You're a team player, ready to work in a group and execute the proposed solutions.

Other qualifications:

- Fluency in English and Polish

Preferred qualifications:

- Salesforce Certifications (eg. Salesforce Administrator)
- Experience in customer projects

Avalon by Devoteam is a full-scale cloud solutions partner, operating in Europe and beginning its expansion in Asia. Our mission is to add value to our customers by delivering a digital workplace based on sustainable solutions from leading innovative partners like Google and Salesforce, among others. This is achieved by our business-oriented teams, passionate tech experts and our strong company culture that makes our employees excel.
